2. GRANT

I grant you a non-exclusive, non-transferable, non-sublicensable license to reproduce and display the photo(s) only for the use, project and media stated above and in clause G, worldwide, for the term in clause 11. Any use not expressly granted is not licensed.

3. COPYRIGHT

I keep the copyright and all other rights in the photos. This is not a work made for hire. All rights not granted are reserved.

4. CREDIT

Wherever the photo appears, place this credit next to it, or in the caption on social media: "Photo © Adam Rainoff · rainoff.com/license/RL-SAMPLE". In print, "Photo © Adam Rainoff · rainoff.com · License RL-SAMPLE" is also accepted. Removing or omitting the credit or the watermark is a breach of this license, but an accidental omission that you correct within 14 days of my notice is not.

5. RESTRICTIONS

You may not:

- (a) sell, give away or distribute the photo file itself, or make it available for others to download;
- (b) use the photo in a logo, trademark or service mark;
- (c) sublicense or transfer this license;
- (d) use the photo in templates or products whose main value is the photo, except under a Commercial, products for sale license;
- (e) use the photo in a defamatory, pornographic, deceptive or unlawful way, or to suggest that I endorse a product, service, organization or cause;
- (f) use the photo, or let it be used, to train, fine-tune, test or develop artificial intelligence or machine-learning

systems, or include it in any dataset;

(g) use the photo in a way that misrepresents the species, the place or the circumstances in which it was taken.

6. NO MISLEADING EDITS

You may not alter the photo in any way that changes what it shows, including adding or removing animals or objects, changing the species' colors, compositing it with other images, or presenting it as taken somewhere else.

F. USE THE PHOTO AS CREATED

You must use the photo exactly as I created it: the 960-pixel version I provided, with its watermark and credit left in place. You may not crop it, and you may not alter it in any other way: no edits, effects, overlays, text on the image, color changes, flipping or compositing. You may scale the whole image down proportionally for display. No other change is permitted.

G. SCOPE

Non-commercial: Only for your own non-commercial use as stated above, by an individual, a nonprofit organization, a school, or a government or public tourism agency. Strictly not for profit, and no money changes hands: no sale, no merchandise, no paid advertising, no promotion of any business.

7. REPORTING USE

If you publish the photo online, you agree to report each page's address at rainoff.com/license/RL-SAMPLE/report. I may check reported pages automatically. The license number, type, photos, status and reported domains appear on the public page rainoff.com/license/RL-SAMPLE. Your personal name, email and fee do not.

8. RELEASES

The photos show wild animals and places. No model or property releases are provided. If your use needs any other clearance, you are responsible for it.

9. WARRANTY AND DISCLAIMER

I warrant that I am the author and copyright owner of the photos. Otherwise the photos and their captions are provided "as is". I don't warrant that captions or identifications are free of errors.

10. LIABILITY AND INDEMNITY

My total liability under this license is limited to the fee you paid; for no-cost licenses, to the extent the law allows, no liability. You will cover me against claims arising from your use outside this license, your alterations, or the content you place with the photos.

11. TERM AND TERMINATION

Term: perpetual for the licensed use. This license ends automatically if you breach it and don't cure the breach within 14 days of my notice. When it ends, you must stop new uses and remove the photos from materials you control. Printed copies made under the license before it ended may still be distributed.

13. UNAUTHORIZED USE

Use outside this license is not licensed. A license bought after an unauthorized use does not cover that earlier use.

14. GOVERNING LAW

15. GENERAL

This is the entire agreement about the photos listed. If a part is unenforceable, the rest still applies. Not enforcing a term is not a waiver. Notices go by email to the addresses above.
